

## Plastic Litter Bags

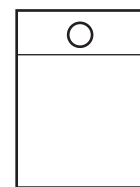

A long time favorite promotional item because it delivers your message in a highly visible space and is displayed for a long period of time. Used as a promotional item by "oil change" and "local garages" for many years, it has proven to be very effective. Recent promotions have included distribution through corporate fleets to remind employees to continue safe operating habits, while at the same time, keeping the fleet cleaner! The material used to make these bags contains up to 50% recycled content.
